Since 1969

North America's **LARGEST** Manufacturer
of Industrial **PRESSURE WASHERS**

ZG

*Compact, Handheld, Gasoline-Powered,
Cold Water Pressure Washer*

- 2.3 GPM, 2300 PSI
- Direct-Drive Pump with 1-Year Warranty
- Honda Engine
- Detergent Injection
- Heavy-Duty Frame

WHY CHOOSE LANDA'S ZG

Landa's light-duty cold water line features the popular ZG, an economical yet reliable, handheld pressure washer packed with:

QUALITY:
The ZG is made of reinforced

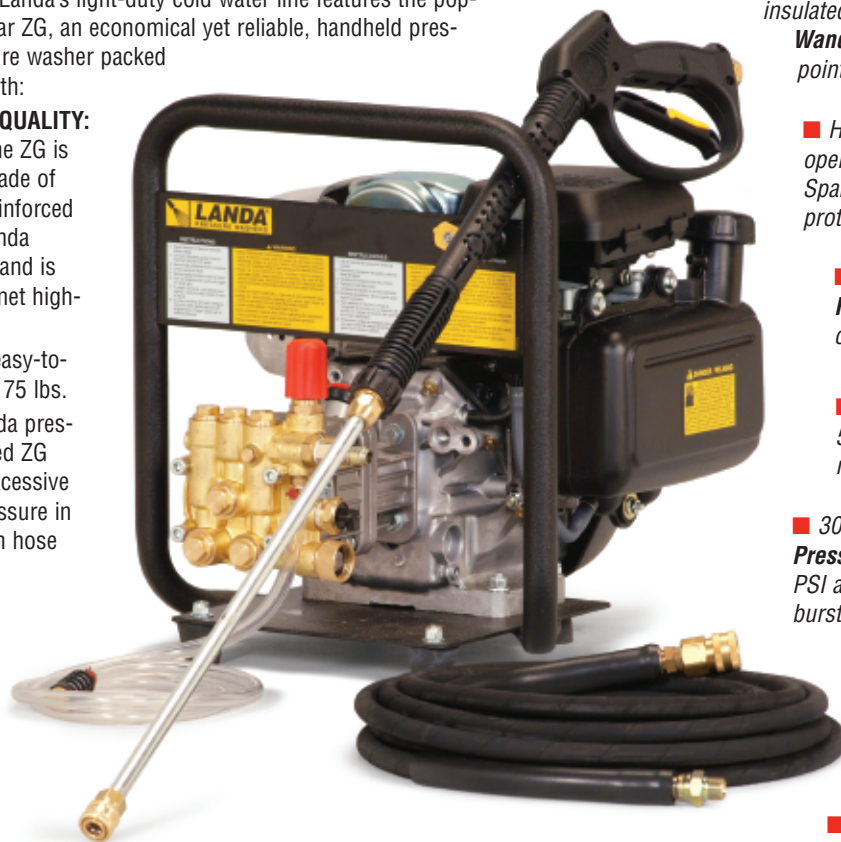

steel and is powered by a Honda engine with low-tone muffler and is direct coupled to an axial Comet high-pressure pump.

CONVENIENCE: The ZG is easy-to-manuever weighing less than 75 lbs.

SAFETY: As with other Landa pressure washers, the ETL-certified ZG features protection against excessive build up of both heat and pressure in the pump as well as a 24-inch hose guard for burst protection.

■ Built-in downstream **Detergent Injector** for low-pressure application of soap and other cleaning agents.

■ Durable pressure-trapping **Unloader** diverts water flow when trigger gun is not in use.

■ Spring-loaded **Trigger Gun** with insulated, two-piece, twist-lock **Spray Wand** that makes for fatigue-free point-and-shoot cleaning action.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

■ Heavy-duty reinforced steel **Frame** is protected with powder-coat epoxy finish.

■ Reliable gasoline-powered 5 HP **Honda Engine** with low-tone muffler for quiet operation.

■ 30 ft. of steel-wire braid **High Pressure Hose** rated for up to 3000 PSI and with 24-inch **Hose Guard** for burst protection.

■ Four **Rubber Pad Feet** absorb vibration for long life and to keep the unit from "walking."

■ Stainless steel 15° and brass soap quick-couple **Nozzles**.
